Dear Sirs,

Re:- Ms Kerstin Martens

Although this Company has traded in the U.K. for some 20 years, a decision was only taken 12 months ago to appoint a fluent German speaking Office Manager/Secretary.

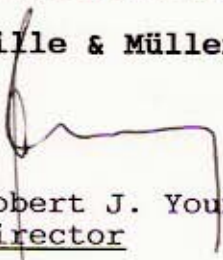

This was in line with the Parent Company's projected policy at the time, and Kerstin has proved both adaptable and efficient in all aspects of the job since joining the Company. Coupled with a sense of humour and a positive and helpful approach to customers, she has made a genuine contribution to the business.

It is only due to a rationalisation programme initiated in Germany that we have to close this office together with the loss of staff.

Should you require a personal recommendation, then please do not hesitate to contact me (phone no. after 31st Dec. 94:- 0121 705 9247).

Yours faithfully,

Hille & Müller (U.K.) Ltd.
